## SECRETARY MESSAGE

Today, the service industry and in particular the educational sector has become highly competitive. In this competitive scenario, Colleges which differentiate themselves in terms of quality education and placements have a competitive advantage over the other Colleges. Hence, the quest for constant innovation is inevitable. Let every step of ours be a conscious and meticulous exercise to improve and enhance quality education.

Khammam, a backward area in professional and Higher Education in Andhra Pradesh before 1990. The people of Khammam were suffered for Higher Studies because there were no Educational Institutions offering professional courses. They went for studies either Hyderabad, Vijayawada, Guntur only. The dream of Khammam people was fulfilled by Establishing Manair Educational Society in 1990. Since then, the Society produced 12,000+ professionals Engineers / MBA / MCA for the nation building.

Education especially Engineering Education is the very way of our life. When it improves, life is also improved. Quality Education aims at teaching, training, motivating and leading young men and women in the ever-expanding horizon of knowledge coupled with wisdom and enlightenment. The daunting task of inspiring young minds, setting their hearts on fire, giving them a sense of direction, something to live up and live for and giving them the power to act as agents of change, and instruments of progress is the quintessence of Engineering Education.

With Best Wishes....
